All journals published by NISC and UNISA Press in collaboration with Taylor & Francis are available exclusively to African customers at discounted South African Rand rates. As from 2011, for ease of purchasing, these titles are now all available for purchase through a single portal, NISC. NISC will also be handling the distribution, claims, online activations and general subscriber support for UNISA Press titles ordered through NISC. For a list of UNISA Press titles that should now be ordered through NISC, please see the pricelist below. Please note that price increases on UNISA Press titles are due to extent increases (as indicated on the price list) and the addition of the online format to all subscriptions (including back files to 1997 where available) through Informaworld.
