
Research in *Hospitality Management*

Instructions to authors

Original research papers, substantive topic reviews, viewpoints and short communications that make an original contribution to the understanding of hospitality and hospitality management in a global context will be considered for publication in the Journal. Send papers to the Editor-in-Chief: conrad.lashley@stenden.com

The journal does not place restriction on manuscript length. Before submitting a manuscript, authors should peruse and consult a recent issue of the Journal for format and style.

Contributions are accepted on the understanding that the authors have the authority for publication. Submission of multi-authored manuscripts implies that all authors have approved submission of the article to this Journal, have read it and approved of its publication. Manuscripts should not have been published before and must not be under consideration by another journal. Contributions must conform to the principles outlined in Ethical Considerations in Research Publication available on the Journal's Instructions to Authors page*.

Articles are published Open Access under a Creative Commons Attribution Licence (CC BY) and authors retain copyright of their work. There are no page charges levied for publication of contributions. Illustrations can be reproduced in colour, but only when essential, and subject to negotiation with the Editor-in-Chief. Non-essential colour will be charged at €250 per page.

Manuscript format

Manuscripts must be in English (with UK English spelling conventions), in MS-Word format, double-spaced with all tables and figures attached at the end of the text. Figures should also be submitted as separate files according to the instructions pertaining to figures that follow. An electronic copy of the manuscript should be e-mailed to the Editor-in-Chief.

Papers should be structured with standard **headings** (Introduction, Methods, Results, Discussion), although, when appropriate, alternative headings are acceptable. Please use no more than three heading levels (main heading and two subheading levels).

An **abstract** of not more than 200 words, at the beginning of each paper, is required for all articles and notes. Please submit a maximum of eight relevant keywords.

Tables, numbered with Arabic numerals and including an explanatory title at the head, must be planned to fit the page vertically with a printed width of either 84 mm or 176 mm. Tables may include up to five horizontal lines but no vertical lines.

Figures should be planned with a maximum final width of either 84 mm or 176 mm. Authors must ensure that their figures conform to the style of the journal. Please refer to Figure Guidelines for Authors on the journal's Instructions to Authors webpage*. Costs of redrawing figures may be charged. Figures should be numbered with Arabic numerals. Figures that are grouped together must be numbered using lowercase chronological letters. Figures, graphs and histograms should preferably be two-dimensional and scale marks (turning inwards) provided. All lines

(including boxes) should be clear (0.5 point thick) with lettering in an 8 or 9 point Arial font. Pattern textures can be used as well as grey shades, but in the latter case ensure that there is sufficient contrast between different elements. Illustrations, including all graphs, must be submitted in electronic format, as separate files, in TIFF, EPS, JPG or PDF format (using the 'save as' or 'export' commands of the graphics program). MS Office files (Word, Powerpoint, Excel) are acceptable, provided the embedded files are the correct resolution. For bitmap images, such as scanned images and digital photographs, resolution must be set to at least 300 dpi for colour or greyscale artwork and 600 dpi for black line drawings. For vector graphics, such as graphs, make sure that the fonts are embedded and that any bitmap images incorporated in the illustration are at an appropriate resolution.

References should be cited chronologically in the text as surname and year within brackets, and listed alphabetically at the end of the manuscript. Double quote marks are used for short quotations. For references with more than two authors please cite the reference in the text as (Hensens et al., 2010). Where reference is made to more than one work by the same author, identify each citation in the text as (Douglas, 1991, 2000a, 2000b). References must be submitted in the APA style, 6th edition:

Proofs and reprints

Proofs will be sent to the corresponding author for checking. Corrections to the proofs should be restricted to those that have been introduced during the production process. Other than such corrections, substantial alterations may be charged to the author. Proofs are sent via email as PDF files that can be viewed using Adobe Acrobat Reader. Prompt return of corrected manuscripts will minimise the risk of the paper being held over to a later issue.

Upon publication, corresponding authors will receive an electronic copy of the manuscript, in pdf format, for reprint use. The corresponding author is responsible for distributing such reprint pdfs to any co-authors.
